MISSION

The mission of the Batavia Interfaith Food Pantry (Pantry) and Clothes Closet (Closet) is to provide food, non-food household and personal items, and clothing to the economically disadvantaged residents of Batavia and Batavia Township.

DESCRIPTION AND PURPOSE

The Pantry and Closet together comprise a not-for-profit organization sponsored by various Batavia churches and the community at large. Its purpose is to provide food, non-food household and personal items, and clothing for those individuals and families residing in Batavia and Batavia Township who are in need. The Pantry's not-for-profit operations fall under the "The Federal Bill Emerson Good Samaritan Food Donation Act" of 1996 which clarifies that clients accept all donations with a clear understanding that they will hold harmless the Pantry, its directors, staff, volunteers, and suppliers.

BOARD OFFICERS, MEETINGS and VOTING

The Board, consisting of any member of the participating churches and any interested community volunteers from the city of Batavia and Batavia Township, shall conduct the business of this Pantry and Closet. The Board shall elect a slate of officers annually. Major duties and responsibilities of Board Officers are as follows:

Meetings and Voting

The Board shall meet on the second Tuesday of each month at 7 PM at the Pantry, unless other arrangements are made by the Board. Questions voted upon shall be decided by a majority vote of those eligible voting members present. An eligible voting member shall be a Board member who has attended at least two Board meetings in the previous six (6) months. A minimum of seven eligible voting Board members is required to enact official business. The Chairperson will only vote to break a tie. Employees of the Pantry and Closet may provide input to Board decisions, but are not eligible to vote.

Standing Committee Structure: There will be three standing committees. The Chairperson, and the number of committee members requested by the Chair, will be elected by the Board annually. Each committee shall include active Pantry/Closet volunteers. The activities of the Chair and committees will be undertaken to meet the procedures, objectives and goals established by the Board.

A. Human Resources (HR) committee:

1. Develops and maintains Lists of Duties, Job Description of the Executive Director, Performance Appraisal Plans, and Offer-of-Employment Letters, as needed.

a. Reviews qualifications of candidates for open positions and selects individuals for interviews.

b. The Executive Director shall be part of the interview process for Assistant Director(s).

c. The top two candidates identified by HR for open Director positions may, following a committee vote, be introduced by an HR committee member to a core group of active Pantry/Closet volunteers and staff (possibly up to ten individuals). There could then be a session of questions and answers and a tour of the facilities. Based on these interactions, this group could choose to provide to HR its impressions of both candidates and, based on a consensus vote, express to HR its preferred candidate and provide written reasons why. This information would be considered by HR prior to that committee's decision to recommend one candidate to the Board for final hiring approval.

d. The Executive Director, with any requested assistance from HR, shall identify, interview and recommend to the Board a candidate for filling open Warehouse Worker positions. The Board shall vote to approve prior to filling the position.

2. Conducts annual review of the Executive Director.

B. Marketing and Promotions committee:

1. Schedules and coordinates fund-raising events.
2. Coordinates Pantry and Closet Website updates with the Webmaster.
3. Promotes Pantry and Closet in cooperation with the Executive Director.
4. Recruits Board members and volunteers.

C. Operations committee:

1. Coordinates purchase of needed equipment.
2. Evaluates and plans for future space needs for the Pantry and Closet.

D. Other committees may be initiated at any time by a vote of the Board.

EMPLOYEES OF PANTRY AND CLOSET

Currently paid employees consist of the Executive Director, Assistant Director (Closet) and designated Warehouse Workers. Copies of all employment contracts shall be kept in the files of the Secretary. Compensation for these positions will be either a fixed salary or an hourly wage, based on whether the individual position is defined as “exempt” or “non-exempt,” per Human Resource guidance and regulations. Compensation will be determined at the time of hire and reevaluated every year at the time of the annual employment review. Employment for all employees shall be “at will”, which means that the Board or the employee may terminate the employment for any reason, at any time, with or without cause. Employment will be continued based on need, performance, and desire of the employees who currently hold the positions.

The Executive Director will be given a yearly review based on the performance of her/his assigned duties. The HR Committee will perform this review utilizing the current list of duties as a basis for the review and will recommend an appropriate raise to the Board for approval.

The Executive Director supervises the Assistant Director (Closet) and the Warehouse Workers and evaluates their job performance annually. The results of these reviews will be provided to the Board along with a recommended raise. If there is a problem with employee performance, the issue will be discussed and further action taken as necessary.

The Executive Director is responsible for the overall collection and distribution of food and non-food items (including any needed supplies from the Northern Illinois Food Bank). The Executive Director also ensures and completes accurate records for Community Service workers and submits those to appropriate county courts and police departments. The Executive Director shall be responsible for generating job descriptions for the Assistant Director(s) and the Warehouse Workers. The Executive Director assists the Chairperson in creating an agenda for the monthly Board meetings. An appointed worker or volunteer shall act in the absence of the Executive Director.

CLIENT POLICY

Only residents of the City of Batavia and Batavia Township shall be eligible to be served by the Pantry and Closet. Eligibility shall be determined by an annual certification using picture ID and proof of residence as designated. Certification is for use of both Pantry and Closet.

Clients of the Pantry will receive food and non-food household and personal items once a month. Clients will have access to the services offered by the Clothes Closet twice a month. A

household will receive one order regardless of how many families reside at that location. A household is defined as a dwelling with a kitchen. Exceptions in such cases as homelessness, emergency situations and multi-families in one home will be made by the Executive Director or her/his designee.

RULES OF PROCEDURE

Rules of Procedure for day-to-day operations of the Pantry and Closet may be formulated and administered by the Executive Director to aid the work of the Pantry and Closet. These rules shall be in concert with these By Laws. These standard operating procedures could be combined into a Procedures Manual that would serve workers and volunteers well in the absence of the Executive Director or the Assistant Director (Closet). They could also be useful in training new volunteers in tasks such as entering client data into the computer system and in generating end-of-day reports.

GENERAL

Copies of these By Laws will be prepared and distributed by the Secretary. One copy will be sent to the office of each participating church and a copy will also be posted at the Pantry and on the BIFP website.

These By Laws will be reviewed every two years by a Board-elected committee of at least three Board members. Any proposed changes to the By Laws will be approved by a two-thirds vote of eligible members at a Board meeting.
